

# Configuration & Delivery

Flexible Options.

Fast Turnaround & Customization.

At Alpine, you're in control. From colors and roof materials to windows, doors, and accessories, you can configure your structure exactly the way you envision it. And with multiple buying paths – ranging from ready-now models to fully custom builds – you can choose the experience that fits your timeline, budget and style.

## Lot Models

Ready for quick delivery through our network of dealers – ideal when you want speed with minimal configuration.

## Fully Custom

For the ultimate personalization, we can modify structural elements and craft a design that matches your floor plan, aesthetic or unique vision.

## Configured Builds

Use our online visualizer to tailor your structure with your preferred layout, colors, materials and accessory placements.

## Built On-Site Structures

- Available in any size building
- Onsite construction eliminates access problems
- Prefabricated panels & trusses are built in our facility
- **Optional Painting/Staining**  
*Painted before we deliver!*

Built on-site structures are prefabricated in our facility and assembled on the job-site, allowing us to build your shed right on the spot.

## Prebuilt Structures

- Available in smaller sheds (contact salesman for size limitations)
- Access needed to site
- Delivered fully assembled
- **Includes Painting**  
*(with Smartside Siding)*
- Mule Delivery available

Prebuilt structures are assembled in our facility and delivered to your site by truck and trailer. Painting is included on buildings with smartside siding.
